ACADEMIC PLANNING AND REGISTRATION STEPS TO SUCCESS

As soon as you have submitted your international student application packet, you should begin to prepare for enrolling in your classes. Please keep in mind that it can be difficult to get the classes you want your first semester. As an international student, you are required to enroll and complete 12 units per semester. There are no exceptions to this without the approval of the International Student Advisor. Each of the following steps must be completed to prepare for enrollment.

1. Application:
   Your will need to apply to Folsom Lake College in order to receive your FLC Student ID Number. Complete the application online by going to the FLC website, click on Apply and complete the Folsom Lake College application. Approximately 1 hour after completing the application, your student Identification number will be e-mailed to you. If you do not receive your student ID number within 24 hours, contact the International Student Advisor.

2. Orientation:
   Once you receive your Student ID number you will be able to complete the online Orientation. This can be accessed by going to the Orientation page on the Folsom Lake College website. This is a requirement for all new students and will provide you with important information to help you succeed. In addition to the FLC Orientation, you will also be required to attend the International Student Orientation which will be held the week before the semester begins.

3. Assessment:
   After you have arrived, you will need to take the FLC assessment tests. The purpose of the assessment tests is to place you in the appropriate English as a Second Language (ESL), English and math classes based on your current skill level. To find out more about assessment testing go to the Assessment page on the FLC website.

4. Counseling:
   Inna Tikhonov is the current international student academic counselor. She is available to assist you with planning your academic program and choosing your classes. Inna will also prepare a Student Educational Plan for you to follow while at Folsom Lake College. You will be required to meet with your academic counselor once every semester. Once you have taken your placement tests, the International Student Advisor will assist you in setting up your first appointment with your academic counselor.

5. Registration:
   The registration period for new students begins in May for the Fall semester and December for the Spring semester. Most of you (unless you are visiting the U.S. during this time) will enroll in classes online from your home country. Your international student advisor and your academic counselor will assist you in choosing and enrolling in your first semester classes. The class schedule is available online from the FLC website and you will enroll in classes from your eServices account. Note: Folsom Lake College has three locations: Folsom Lake College main campus (FLC), El Dorado Center (EDC), and the Rancho Cordova Center (RCC). The El Dorado Center is located in Placerville and the Rancho Cordova Center is located in Rancho Cordova. Both locations are 30 minutes away from Folsom Lake College main campus.

6. Health Insurance:
   Hospital, doctor, or dental fees can be very expensive in the U.S. After you arrive, you will be required to purchase health insurance which will help you pay for any medical expenses you may incur. FLC does not sell health insurance. During the International Student Orientation you will learn about your options for purchasing health insurance.

1. **NEW STUDENTS RESIDING OUTSIDE OF THE U.S.**

   If you are a new student who is currently outside of the U.S. and will need to go through the F-1 visa application process, you should plan to apply **at least three months** before the start of the semester. The following deadlines apply:

   A. Fall semester: May 1\textsuperscript{st}
   B. Spring Semester: November 20\textsuperscript{th}

   It is important to remember that the issuance of an I-20 does not always guarantee that you will receive your F-1 visa. Please plan to apply early enough in case there is a delay with your documentation or difficulty in getting an appointment at the consulate.

   According to F-1 visa regulations, international students who are entering the U.S. for the first time with an F-1 visa cannot enter the country more than 30 days prior to the start of the semester. Therefore, if the semester begins on August 25\textsuperscript{th}, you will not be able to enter the U.S. before July 25\textsuperscript{th}. For new students this may present a problem in getting the classes that you want in the first semester as the registration for the semester begins at least 2 months prior to the term. You may need to work with the International Student Advisor closely to enroll in classes online from your country when the enrollment process begins.

2. **TRANSFER STUDENTS:**

   If you are currently in the U.S attending school at another institution as an international student in F-1 status, the following application deadlines apply:

   A. Fall semester: May 20\textsuperscript{th}
   B. Spring semester: December 10\textsuperscript{th}
