Dear President Scott-Skillman:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met June 21-22, 2010 to review the Substantive Change Proposals from Folsom Lake College to add courses that constitute 50% or more of five degrees and eight certificates through a mode of distance or electronic delivery (attached), and seven new programs.

The Committee approved the Folsom Lake College Substantive Change Proposals for Distance Education and the new programs: Certificates of Achievement in Group Fitness Instructor and Personal Trainer; Project Management and Public Management; Water Management and Wastewater Management; Associate of Science and Certificate of Achievement in Fire Technology.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Barbara A. Beno, Ph.D.
