* This course has a prerequisite or corequisite course.

Notes:

- Upon successful completion of the Teacher Certificate, a student demonstrates knowledge, preparation and competencies for teaching in a publicly funded early learning program. Applicants must verify required experience teaching children to be recommended to the Commission on Teacher Credentialing for issuance of the Teacher Child Development Permit. Additionally, this certificate exceeds the requirements for teaching in a privately funded early learning program.
- To be eligible for the Child Development Permit (Teacher), students must complete 16 units in General Education categories which meet graduation requirements and with at least one course in each of the following areas: English, Humanities, Social Science, Math/Science. Please refer to the General Education Requirements for a list of acceptable courses. Students must also complete experience requirements for the particular permit for which they are applying.
- Some English and Math courses have support courses (co-requisites). See your assessment results for more details.

Math List:

- MATH 310: Mathematical Discovery (3 Units)
- STAT 300: Introduction to Probability and Statistics (4 Units)
- PSYC 330: Introductory Statistics for Behavioral Science (3 Units)

EXPLANATION OF CATEGORIES

Req	Required Core	A course that is required for this degree
GE	General Education	A course that fulfills a specific general education requirement for this degree, which can be replaced with another course that meets the same requirement
Elec	Elective	A degree-applicable course that is part of a degree roadmap to ensure that there is a total of at least 60 units, which is a requirement for an associate degree
