

# HIGH SCHOOL COURSE ARTICULATION AGREEMENT RENEWAL

Once approved by the FLC Curriculum Faculty Chair, and unless the course of study or course of record changes, this articulation agreement is valid for two academic years from its effective date. After two years, a Course Articulation Renewal (if no changes to course of study or course of record) or a new Course Articulation Agreement (if course of study or course of record has changed) will need to be initiated and approved. The college or high school can request a course review at any time.
