## USING AP EXAM SCORES:

**IMPORTANT:** Unofficial score reports may be downloaded from the College Board’s website and submitted for a prerequisite, but **must include** your first/last name, AP number, and high school. **Do not just print a screen shot without your name.**

**HIGH SCHOOL SENIORS:** The following is for fall enrollment only! If you are a senior in high school and have not yet taken the AP Exam or your scores are not yet available, you may submit your high school transcript listing the appropriate AP Course **and** a letter from your high school OR a copy of the AP Exam Registration form verifying you have or will be taking the appropriate AP Exam. A high school transcript without a verification letter will not be accepted. You must provide your AP Scores no later than two weeks prior to the start of the fall semester. If you fail to provide scores, you will be dropped from your course.

**Summer/Spring enrollment is not permissible for this option. You must provide scores.**

### Calculus AB Exam:

### **When do I need to submit a [Prerequisite Challenge Form](#) to the Math Department?**

- When the college, course and/or year taken are not on approved LRCCD External Equivalencies list. Submitting the Prerequisite Clearance Form to the Admissions & Records Office for a course not on the approved list will significantly delay your enrollment.

**Additional questions? Call Admissions and Records at (916) 608-6501.**
