

Education/Teaching

Overview

Folsom Lake College's liberal studies for elementary education major is designed for students who wish to be teachers in public and private elementary schools. Further education at the university level will be required to fulfill all requirements for a teaching credential authorizing service in California public schools.

Career Options

- Instructional Assistant
- Teacher, Intermediate Grades
- Teacher, Primary Grades

Some career options may require more than two years of college study. Classes beyond the associate degree may be required to fulfill some career options or for preparation for transfer to a university program.

Highlights

This major is especially designed for students who plan to transfer into California State University, Sacramento's (Sac State) liberal studies program, which is a major for prospective elementary school teachers. This degree program provides all of the lower division courses necessary to gain admission to the university and the teacher credential program.

The Liberal Studies for Elementary Education Associate in Arts (A.A.) degree may be obtained by completion of the required program, plus general education requirements, plus sufficient electives to meet a 60-unit total. See FLC graduation requirements.

Student Learning Outcomes

Upon completion of this program, the student will be able to:

- apply knowledge, skills, and abilities toward successful completion of coursework at transfer institutions.
- seek employment as an instructional or classroom aide in an elementary school.
- develop a reasoned solution to a problem and defend it using appropriate language, methods, and/or notation.
- evaluate new and accepted ideas about the natural universe using testable methodology.
- write and speak effectively, demonstrating the ability to evaluate audience and appeal to it persuasively.
- conduct library research and compose research papers with a clear thesis, sound critical thinking, correct usage, and proper documentation.
- apply knowledge of world history and cultures to identify the values of a culture and work with others of a diverse background.
- analyze the Constitution of the United States and other founding documents.
- describe the nature of government and compare and contrast political institutions.
- apply basic economic concepts.
- apply knowledge of child development theories to assess the characteristics of teaching practices and learning conditions.

Career Information

Teacher, primary grades; teacher, intermediate grades; instructional assistant, elementary school grades K-8.
